

TOUR THE WORLD OF LUXURY WALK-IN COOLING

PRESSURE EQUALIZATION VALVE

Prevents air suction at entrance door or reach-in doors.

REFRIGERATED AIR CURTAIN/AIR DAM

Door-activated fans are located above entry door and reach-in door openings. Keeps cold air in and warm air out. Also helps keep bugs out.

CONDENSATION ELIMINATING TECHNOLOGY

Heating network surrounds doors and viewing windows for condensation mitigation.

HYPER STREAM™ AIR WALL DRIVERS

High velocity fans quietly pressurize air walls generating an almost undetectable hyper stream of air, delivering an amazingly quiet and comfortable experience.

EXPOSED INTERIOR WALLS & AIR WALL PANELS

304 18-8 food grade stainless with #4 brushed finish standard.

AIR MANAGEMENT SYSTEM Qflow360™ (patent pending)

This innovative air management system distributes air evenly throughout walk-in, optimizing food preservation and delivering a quiet & comfortable experience.

TFT TOUCH PAD & PHONE APP CONTROL

Capacitive touchscreen with intuitive digital control. The Qoldfusion App allows full operation directly from your mobile device.

INSULATION

Wall and roof panels made of 4" thick polyurethane shot-in-place closed cell foam insulation. R Value 48.

RETURN-AIR CEILING

Air returns to ceiling and then back down to pantry through air wall panels; this creates large horizontal vortexes of air for even air distribution.

DUAL-TEMP REFRIGERATOR + FREEZER (optional)

Integrated internal Freezer column.

5-TIER CANTILEVER SHELVING

Heavy-gauge, easily adjustable 304 18-8 food grade stainless steel shelving with #4 brushed finish, slotted for optimal air flow.

HIGH TOUCH LED LIGHTING

White translucent, scratch-resistant, defusing lenses, delivering vibrant & optimal illumination. Optional RGB color lighting to set ambiance of choice.

SLOPED ENTRANCE

Minimal slope allows for smooth transition with outside floor surface, for ease of entry; ideal for cart access.

SPILLAGE CATCH THRESHOLD

Isolates spillage and includes removable slotted grate for easy cleaning.

INSULATED FLOOR

3" Thick insulated floor with "Altro" non-slip, easy-to-clean, fungi-resistant surface, standard.
